

§ 331.15

(2) A current list of all individuals with access to agents or toxins listed in § 331.3;

(3) Training records for individuals with access to such agents or toxins;

(4) Accurate and current inventory records (including source and characterization data);

(5) Permits and transfer documents (APHIS Form 2041) issued by APHIS;

(6) Security records (*e.g.*, transactions from automated access control systems, testing and maintenance of security systems, visitor logs); and

(7) Containment and security incident reports.

(b) The responsible official must maintain such records for 3 years.

(c) All records must be produced upon request to APHIS inspectors, and appropriate Federal, State, or local law enforcement authorities.

§ 331.15 Inspections.

(a) To ensure compliance with the regulations, any APHIS inspector must be allowed, without previous notification, to enter and inspect the entire premises, all materials and equipment, and all records required to be maintained by this part.

(b) Prior to issuing a certificate of registration to an entity or individual, APHIS may inspect and evaluate their premises and records to ensure compliance with the regulations and the containment and security requirements.

§ 331.16 Notification in the event of theft, loss, or release of a biological agent or toxin.

(a) The responsible official must orally notify APHIS and appropriate Federal, State, or local law enforcement agencies immediately upon discovery of the theft or loss of agents or toxins listed in § 331.3. The oral notification must be followed by a written report (APHIS Form 2043) within 7 days.

(b) The responsible official must orally notify APHIS immediately upon discovery that a release of an agent or toxin has occurred outside of the bio-containment area. The oral notification must be followed by a written report (APHIS Form 2043) within 7 days. Upon notification and a finding that the release poses a threat to animal or plant health, or animal or plant prod-

ucts, APHIS will notify relevant Federal, State, and local authorities, and the public, if necessary.

(c) The responsible official must orally notify APHIS of a theft, loss, or release of an agent or toxin by calling (301) 734-5519. A copy of APHIS Form 2043 may be obtained by writing to Biological and Technical Services, PPQ, APHIS, 4700 River Road Unit 133, Riverdale, MD 20737-1236, or by calling (301) 734-5519. APHIS Form 2043 may be mailed to the same address or faxed to (301) 734-8700.

§ 331.17 Administrative review.

An individual or entity may appeal a denial or revocation of registration under this part. An individual who has been denied access to listed agents or toxins or who has been granted only limited access to listed agents or toxins under this part may appeal that decision.¹² The appeal must be in writing and submitted to the Administrator within 30 days of the decision. The appeal must state all of the facts and reasons upon which the individual or entity disagrees with the decision. Where the denial or revocation of registration or the denial or limitation of an individual's access approval is based solely upon an identification by the Attorney General, APHIS will forward the request for review to the Attorney General. The Administrator's decision constitutes final agency action.
